Stuart Turnbull- Men's Water Polo

**Missing:**

Golf

**Agenda**

1. Referendum Question
2. Fundraising Event
3. Banquet
4. Weight Room
5. Study Room
6. Russell Equipment

**Referendum Question**

On February 11 and 12 2009 there will be polling stations throughout University to answer different Referendum questions. One question that is being asked is based on the CPI inflation and if certain programs, services, and facilities on campus can increase their prices along with CPI inflation. Varsity Council is supporting YES on the Referendum question to increase certain prices throughout campus with CPI inflation. Hope that everyone is able to vote on the polling dates.

**Fundraising Event**

Last weekend Varsity Athletes set up a Varsity Council booth at Carleton Ravens Basketball games to try and spread awareness of the things we do throughout the community.

Our winter fundraising event will be with an organization called "Catch it", raising money to purchase nets for their organization. We were able to spread awareness and raise \$113.76. Thank you to Arjun, Amanda, Nora and the Women's Field Hockey team with their work this weekend.

Our next booth can be found at Men's Hockey game against Ottawa University this coming Tuesday, February 10, 2009 at 7:00pm. Hope to see you all there.

#### **Banquet**

The Varsity Council banquet is slowly approaching and Varsity Council is starting to prepare to organize for the banquet. The MC for the night will be the very well known and much loved Rob Harris. Further information regarding the banquet will be published at a later date.

#### **Weight Room**

The weight room new equipment has arrived and the athletes are pleased with the new weight room. The weight room will also be painted in weeks to come. Another thanks to all those who worked very hard to make this happen.

#### **Study Room**

The study room is slowly becoming an area student athletes can study. We still have disturbances from some local teams but Varsity Council is trying to rectify the situation. Further information will be provided at a later date.

#### **Russell Equipment**

Russell Equipment will be at the next Varsity Council Meeting to discuss next year Varsity Athletes Package.

**Next Varsity Council Meeting is February 26, 2009 at 11:30pm**
